

WE ARE HIRING!

TECH QA SPECIALIST

JOB FUNCTION

- Software Testing
- Quality Assurance
- Process Improvement

JOB LEVEL

- Entry- to Mid-Level

EMPLOYMENT TYPE

- Full-Time

WORK SETUP

- Hybrid: Office and Remote
- Shift Schedule: 9:00 AM to 6:00 PM

JOB DESCRIPTION

- The Tech QA Specialist is responsible for ensuring the quality, functionality, and performance of software applications and technology-driven solutions.
- The role involves designing test cases, identifying bugs, and working closely with developers to enhance product reliability.

APPLICATION PROCESS

- Interested applicants may submit their resumé and cover letter to agilepartners@hustle-ph.com.

KEY RESPONSIBILITIES

- Develop and execute test plans and test cases to ensure software quality.
- Identify, document, and report bugs and defects to the development team.
- Conduct manual and automated testing for web and mobile applications.
- Collaborate with developers and product managers to troubleshoot issues.
- Ensure compliance with software quality standards and best practices.
- Monitor system performance and provide feedback for optimization.
- Continuously improve testing processes and methodologies.

QUALIFICATIONS

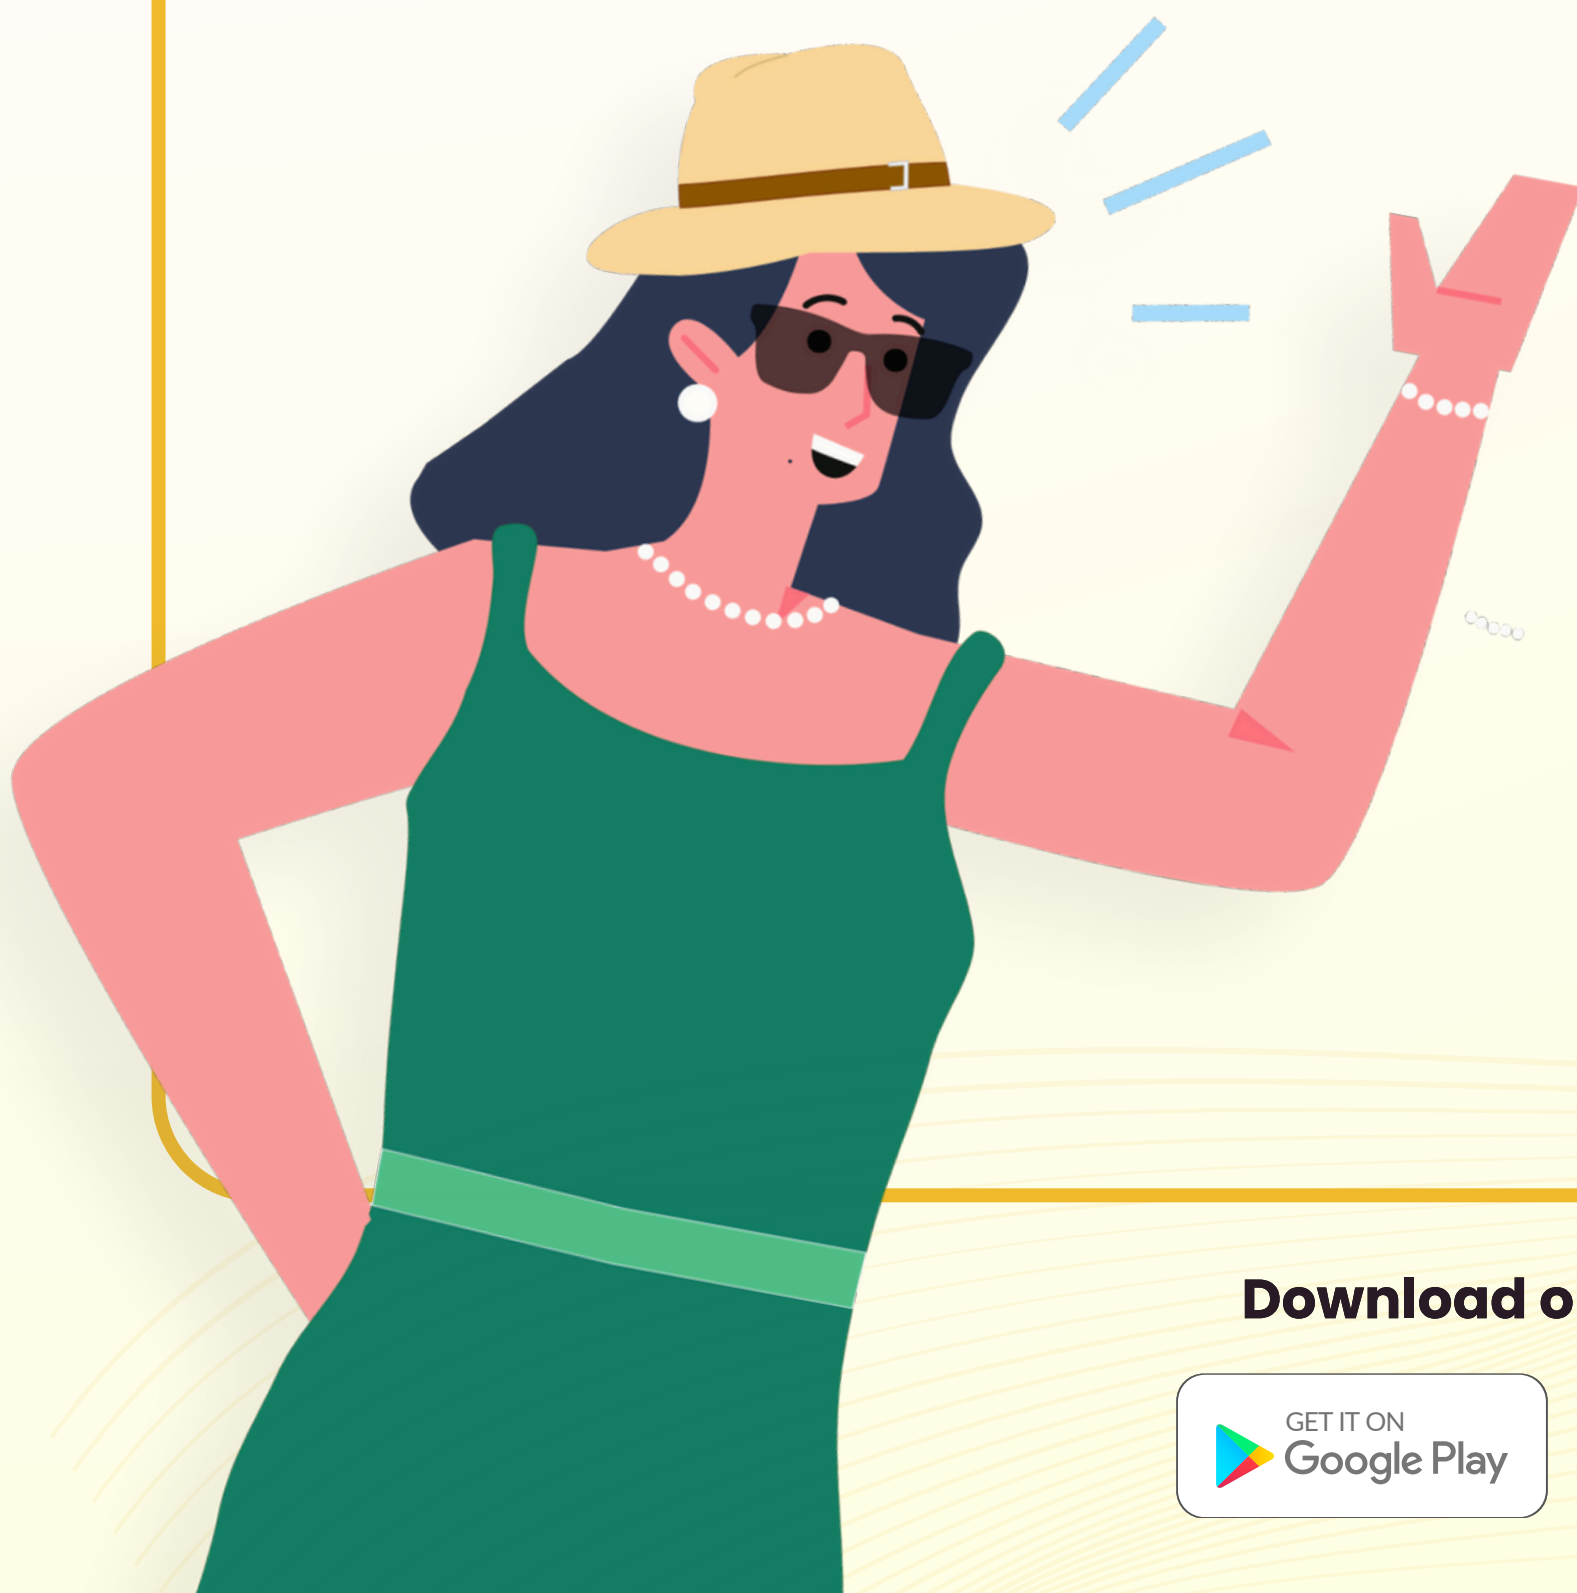

- Bachelor's Degree in Computer Science, Information Technology, or a related field.
- Fresh graduates are welcome to apply; however, candidates with 1 to 3 years of experience in software testing or quality assurance are preferred.
- Strong understanding of software development lifecycle (SDLC) and testing methodologies.
- Experience with test automation tools and frameworks (e.g., Selenium, Appium, JMeter).
- Attention to detail and strong analytical skills.
- Excellent problem-solving and communication abilities.

PREFERRED QUALIFICATIONS

- Experience in Agile development environments.
- Familiarity with bug-tracking and project management tools (e.g., Jira, Trello, Asana).
- Knowledge of API testing and performance testing.
- Basic coding skills in Python, Java, or JavaScript for automation scripting.

COMPENSATION AND BENEFITS

- Competitive salary based on experience.
- Opportunities for professional growth and training.
- Hybrid work setup with flexible working hours.
